

The Boston Town Band will perform the Town of Boston's 24th Annual Christmas Concert on Tuesday, December 13, 2016 at the Boston Valley Elementary School. The Concert will begin at 7:30 P.M. The Band changed their concert this year to an evening due to the Bills playing at home on Sunday, December 11, the date the band would prefer to perform.

Evans Chapel and Faith Bible Baptist Church Choir will open the concert with "Christmas Bells" and "He Gave Everything".

The Band will play a variety of new Christmas music including Merry Christmas Darling, Sparkling Lights, Be Still, My Soul, A Mariah Carey Christmas, Palladio and Cowboy Christmas. The band, directed by Kyle Kohan, will again feature soloist Onna Hacker singing White Christmas.

Since your Patron Membership has expired we invite you to use the form at the bottom to renew your membership. We appreciate and thank you for your past financial support. The financial support we receive from our patrons provides for the administration of the band, purchase music and compensation for our band director. Memberships received by November 30th will be listed in our Christmas Program.

Again, thank you for your past support and we look forward to seeing you at the concert on December 13th. Please invite your friends. Following the concert punch and cookies will be served in the cafeteria.
