Application for Blacktopping Driveway on Highway Right of Way to Road

Owner Name: _____

Owner Address: _____

Daytime Phone No.: _____

Contractors Name: _____

Contractors Address: _____

Daytime Phone No.: _____

- No concrete is allowed on Highway Right of Way.
- Blacktop or oil and stoning are allowed.
- The preparation to meet the Road Pavement will be inspected by Highway Superintendent before paving.
- The final paving will be inspected. If not done correctly, it must be removed and corrected, at owner's expense.
- The road shoulder (24 minimum from road pavement) must maintain a 1 per 1' decline (minimum).
- Location of Driveway will be determined at Superintendents discretion.
